

Yardwork Mole Remover

Cut off 5" (Four 1" Squares) from 1" x 4' Rolled 20 Gauge Galvanized Poultry Netting

Cut off 8 Blocks of 18 (4 + 5 + 4 + 5) 1" Squares

Twist the Ends and Make Hollow Cylinder-like Mouth Path Blockers with Stings

I have killed countless numbers of moles. It is true that my garden is a slaughterhouse for mole. Don't invade.

Exhausted Soil from Hole Mole Made

Water Hose to Flood Overall Hole, Double Hoe to Expose Hole

Mole Found & Killed

Injecting toxic gas never works because mole is making various path (not single closed space) horizontally and vertically. Trapping toxic bate sometimes works but we cannot verify if mole is actually expelled (fatal drawback).
