

Love Will Keep Us Together

Love, Love will keep us together
Think of me babe whenever
Some sweet talking girls comes along singing her song
Don't mess around
You just got to be strong
Just stop, because I really love you
Stop, I'll be thinking of you
Look in my heart and let love keep us together

You, You belong to me now
Ain't gonna set you free now
When those girls start hanging around talking me down
Hear with your heart and you won't hear a sound
Just stop, because I really love you
Stop, I'll be thinking of you
Look in my heart and let love keep us together

Whatever

Young and beautiful
Someday your looks will be gone
When the others turn you off
Who'll be turning you on

I will, I will, I will
I will be there to share forever
Love will keep us together
I said it before and I'll say it again while others pretend
I'll need you now and I'll need you then

Just stop, because I really love you
Stop, I'll be thinking of you
Look in my heart and let love keep us together

Whatever
I will, I will, I will, I will

Then stop, because I really love you
Stop, I'll be thinking of you
Look in my heart and let love keep us together

Whatever
I will, I will, I will, I will
