

Christmas

The snow's coming down

I'm watching it fall

Lots of people around

Baby please come home

The church bells in town

All ringing in song

Full of happy sounds

Baby please come home

They're singing "Deck The Halls"

But it's not like Christmas at all

Cuz I remember when you were here

And all the fun we had last year

Pretty lights on the tree

I'm watching them shine

You should be here with me

Baby please come home

They're singing "Deck The Halls"

But it's not like Christmas at all

Cuz I remember when you were here

And all the fun we had last year

If there was a way

I'd hold back this tear

But it's Christmas day

Please

Please

Please

Please

Baby please come home

Baby please come home

Baby please come home

Baby please come home
